Birmingham Running Festival

Midlands Air Ambulance Charity - Your Charity Partner at the Birmingham Running Festival

We're thrilled to be the official charity partner for this year's Birmingham Running Festival!

Who Are We?

Midlands Air Ambulance Charity provides rapid response emergency care to save lives across six Midlands counties. Your support helps fund these lifesaving missions—and today, every step you take is making a difference!

Each year it costs £16 million to maintain the three aircraft and the provision of a lifesaving service. The charity does not receive funding from the Government or National Lottery for its daily missions so relies entirely on the support and generosity of local people and businesses

Come and Meet Us!

After crossing the finish line, visit our stand where we'll have our Helipod on display - get a firsthand look at the aircraft that's helped save so many lives! We'll also have a range of merchandise available for purchase, with all proceeds supporting our critical missions.

Want to Get Involved?

Already feeling inspired? Sign up to become one of our own place runners at future events and keep making an impact. Whether it's a local run or a bigger race, your miles could save lives! Thank you for your support, and we look forward to celebrating with you at the finish line!

TRAVEL

Address: Sutton Park, Park Road, Sutton Coldfield, B73 6BT

Please arrive early and car share where possible. As with many sporting events, please anticipate queues arriving at the venue.

Parking:

There are several entrances to the park. Car parks are marked on the Sutton Park website linked below.

There is limited parking available on site at Town Gate, so we recommend carpooling and taking public transport.

There are plenty of car parks within a 15-minute walk of the event village. As on-site parking is extremely limited, we recommend planning your journey in advance.

We advise anyone arriving after 8am to park at the Gracechurch Shopping Centre, B72 1PA. This car park will be open from 8am on Sunday and is £1 for the day. If you plan on parking here, please avoid blocking fire exits.

Public Transport:

If using public transport, it's a short walk to the main entrance at Town Gate from either the bus station in central Sutton Coldfield or the Sutton Coldfield rail station.

Sutton Coldfield is less than half a mile away from the event parking.

You can access either car park for free for up to 15 minutes to drop off runners. For longer stays, parking charges will apply.

Important Note:

The address given is the entrance to the park, the Event Village is located a short walk away from the main visitor centre, and 'Town Gate' Car Park.

RACE DAY ETIQUETTE

At RunThrough we are massive advocates that running truly is for anyone. Whatever your ability, gender, age or ethnicity, we're here to support you.

Whilst at a RunThrough event, we hope you feel safe, encouraged and included. In order to achieve this, we have a few simple rules we'd like our runners to follow:

- **Be considerate and respectful to other runners, race staff & members of the public.**
- **Refrain from demeaning, discriminatory or harassing behaviour and speech.**
- **Be mindful of your surroundings and your fellow participants.**
- **Help us keep the course pleasant for everyone by refraining from pushing, spitting and littering.**

If you see or experience anything that challenges these or makes you feel uncomfortable, please don't hesitate to visit our Information tent or speak to a member of our team. (We can be found in Blue High-vis jackets!) Or if you prefer you can email us at info@runthrough.co.uk.

We're always available to deal with any issues, offer support or simply just have a chat! We're on hand to ensure everyone has the best race day experience possible and feels supported throughout the day.

WARM UP & RACE START

We will have a warm up in the event village 15 minutes prior to the start of each race. From here, we will call out estimated finish times to get all runners lined up and ready to run.

DURING THE RACE

We will have marshals around the course and directional arrows and distance signs. The course is within Sutton Park, following a 5km loop on the roads and paths.

Half Marathon Runners - Yellow Mile Signs - Out & Back + 4 Laps

10k Runners - Green KM Signs - 2 Laps

5k Runners - Red KM Signs - 1 Lap

At the end of each lap, our marshals will be in position to direct you either onto your next lap (straight on) or into the finish (left into the event village).

Due to the nature of a lapped course we ask that you remain to the right of the path at all times unless otherwise instructed by signage or a marshal. This will allow for anyone needing to overtake to have a clear path on your left and ensure not only your safety but allow for the best experience throughout the race.

Please also be aware that we will have a safety bike ahead of the lead runner to prevent any collision around the laps. They will be vocal when coming towards you from behind so be sure to listen out for any additional instructions.

*Please note - This event takes place on public paths that may also be used by pedestrians and cyclists. While every effort is made to manage shared use areas and ensure runner safety, including signage and marshal presence, we kindly ask all participants to remain aware of their surroundings throughout the race.

Please drain and discard all litter and bottles within the signed litter zone, which will be shortly after the water station. There are no road sweepers, our event team picks up all litter by hand, so please help them to keep the course litter free for other runners and the local community.

A limited number of SiS gels will also be provided at the water station. If you choose to take a gel or provide your own, please retain the packets and tear off tops on your person, or discard within the bins provided. With respect for the marshals, venue and environment, littering of any kind won't be tolerated.

WATER STATIONS

There will be a water station on each lap of the course.

There will also be a bottle of water waiting for you at the finish line.

We recommend bringing your own water and nutrition/gels to help you stay hydrated and fuelled before and during the event.

Please note, headphones are not permitted, unless bone conducting. Should you choose to wear these, we ask you keep the volume low in order to remain aware of your surroundings at all times and can hear any marshal instructions during the race.
