Caring for those you care about most

University Hospitals of Liverpool Charity is thrilled to be the Charity of the Year for Run Aintree 2026!

As the charity for hospitals local to Aintree, we're proud to bring this opportunity, to run the iconic Aintree racecourse. When you run for UHL Charity, you're helping to support friends, neighbours, loved ones and of course, people you will never meet.

Your support means that they can continue to provide the very best care for patients and staff at Aintree, Broadgreen and the Royal Liverpool Hospitals by going above and beyond stretched NHS budgets.

But we can't do it without you.

Get Involved:

Fundraise for us – Join Team UHL Charity

Donate – Your support helps us go further, reach more people, and make every moment of care count.

Five things we funded in 2025

- Patient essentials –warm clothes, toiletries and slippers for patients who come in with very little or nothing
- SEN packs to support those who might need calming down in A&E which can be a busy and stressful environment
- In-patient gifting on Christmas Day for patients who were unable to go home; some of whom didn't have any visitors on Christmas Day
- Improvements to our Aintree breast unit, enabling us to see more patients (due to open Spring 2026)
- We opened a brand new 'Frances Centre' at the Royal, dementia-friendly space designed to provide non-pharmacological therapies and support the wellbeing of our patients.

RACE DAY ETIQUETTE

At RunThrough we are massive advocates that running truly is for anyone. Whatever your ability, gender, age or ethnicity, we're here to support you.

Whilst at a RunThrough event, we hope you feel safe, encouraged and included. In order to achieve this, we have a few simple rules we'd like our runners to follow:

- **Be considerate and respectful to other runners, race staff & members of the public.**
- **Refrain from demeaning, discriminatory or harassing behaviour and speech.**
- **Be mindful of your surroundings and your fellow participants.**
- **Help us keep the course pleasant for everyone by refraining from pushing, spitting and littering.**

If you see or experience anything that challenges these or makes you feel uncomfortable, please don't hesitate to visit our Information tent or speak to a member of our team. (We can be found in Blue High-vis jackets!) Or if you prefer you can email us at info@runthrough.co.uk.

We're always available to deal with any issues, offer support or simply just have a chat! We're on hand to ensure everyone has the best race day experience possible and feels supported throughout the day.

WARM UP & RACE START

We will have a warm up in the event village 15 minutes prior to the start of each race. From here, we will call out estimated finish times to get all runners lined up and ready to run.

DURING THE RACE

There will be marshals all around the course as well as distance signs and arrows.

Half Marathon - follow yellow Mile markers 1-13 - Out & back + 4 laps

10k Runners - follow green KM markers 1-9 - 2 Laps

5k Runners - follow green KM markers 1-4 - 1 Lap

The course includes the paths within and around the Racecourse as well as the surrounding roads.

Due to the nature of a lapped course we ask that you remain to the left of the path at all times unless otherwise instructed by signage or a marshal. This will allow for anyone needing to overtake to have a clear path on your right and ensure not only everyone's safety but allow for the best experience throughout the race.

Please drain and discard all litter and bottles within the signed litter zone, which will be shortly after the water station. There are no road sweepers, our event team picks up all litter by hand, so please help them to keep the course litter free for other runners and the local community.

A limited number of SiS gels will also be provided at the water station. If you choose to take a gel or provide your own, please retain the packets and tear off tops on your person, or discard within the bins provided. With respect for the marshals, venue and environment, littering of any kind won't be tolerated.

WATER STATIONS

There will be a water station on each lap of the course.

There will also be a bottle of water waiting for you at the finish line.

We recommend bringing your own drinks to stay hydrated in the lead up to the event.

Please note, headphones are not permitted, unless bone conducting. Should you choose to wear these, we ask you keep the volume low in order to remain aware of your surroundings at all times and can hear any marshal instructions during the race.

LOOK OUT FOR THE LITTER ZONE SIGNAGE!
